What Is Retail Operations? Every time you enter a retail store, your shopping experience has been extensively planned, from the items you see for sale to the layout and design of the store. Many times these decisions are made by someone working in retail operations, or the area of retail concerned with the day-to-day functions of stores.

What is Retail Operations? - Learn.org

"Retail is an extraordinary business, with an ever-shifting landscape. Being a retail designer, since the infancy stage of retail industry in Singapore in the 70's, I have witnessed this phenomenon. In order to provide effective retail brand image, it is imperative for retail designers to keep abreast with the changes in retail operations.
