Unfortunately, when this project was well into the improvement stage, tragedy struck. The sole location in which the Train Project was saved was lost. Despite an intensive search, the green flash drive, bearing the name "ORR" was never seen again. You will be sorely missed, Train Project.

### **Train Project - PLTW Engineering**

For this project, I had to model a 3D miniature train in Inventor. I modeled each part (10 parts total) individually, and then assembled the train together and eventually placed it onto a track so that could it move. Next, I dimensioned all of my parts separately in .idw files. I also did an exploded view with a parts list.

### **Miniature Train - PLTW Engineering**

The Team We work as a team to make parts of a mini train and crate assembly and technical drawing based on the Train Part project packet. In my team there are four people, Quinton C, Ivan R, Erick G, and John Z.
