And I've recently gotten new engine mounts (2 for the engine and 1 for the transmission I think) and so I've been looking to get those replaced soon. And I'm also wondering are the saab engine mounts standardized like all other cars? Or are they different and require a saab specialist in order to get those replaced? Thanks :)

Nice Suggestion from Mike L before starting this procedure. I recently replaced the engine mounts on my 2001 saab 93. I suggest that the scheme provided on your site be modified to install the right and left mount one at a time but leave bolts to frame loose, then remove and replace and tighten the rear mount.
