I have a Verizon Wireless network extender for cell phone signal. It keeps losing the signal to my phone. When it connects I get all 5 bars. Without it I barley get 1 in my house. Issue is my phone keeps losing the extender signal.

Verizon Samsung network extender - Verizon Community
The issue stems from how Verizon sets up different types of accounts. If you are under a full contract you should not have any problems with phone features and setting up a network extender. If you are on a pay as you go plan, several phone features and adding a network extender to your account are unavailable.
