Software User Guide • For the safe use of your camera, be sure to read the "Safety Precautions" thoroughly before use. • Types of software installed on your computer varies depending on the method of installation from the Caplio Software CD-ROM. For details, see the "Camera User Guide".

Software User Guide - Kansas Adjutant General's Department
The examples I show are examples of what makes great end user documentation. 1 - Write great titles. Great end user documentation consists of titles that are specific, and often in the form of performing a task. This not only makes it easier for your end users to find what they are looking for, but it helps you write better articles.

10 Examples of Great End User Documentation

The User Manual Manual - Untechnical Press
Often filled with jargon, acronyms, and directions that require a Ph.D to understand, software user manuals are sometimes written from the point of view of a developer rather than a user. As a result, the guide may make assumptions about the reader's skill level that are often incorrect. The first step in writing ...
