A quick start guide or quickstart guide (QSG) is in essence a shortened version of a manual, meant to make a buyer familiar with his or her product as soon as possible. This implies the use of a concise step-based approach that allows the buyer to use a product without any delay, if necessary including the relevant steps needed for installation.

This Quickstart guide was written by Rowena Tayler-Henry in 2008, and was based on an early release of yWriter5. The original file was a PDF, and my efforts to obtain the HTML source were unsuccessful. Therefore, I've converted the PDF to HTML and have pasted the entire file here so that contributors to the wiki can update the information.
